Attn: Michael H. Gashgarian, President & CEO

Dear Mick,

Just a short note to say that since we've been purchasing our fluid bed PVC coatings from your company, MG INDUSTRIES-ERIE, Inc. we have been completely satisfied with the quality of all the coating powders that we've purchased. Especially the MGI-LS-SA Black, self-adhering formula. All the materials that we've purchased from you have performed exactly as we anticipated and in many cases they have been superior to your competitor's.

We look forward to our continued business relationship.

Sincerely,

Chris Marinos
President
